

# HUNTERS®

HERE TO GET *you* THERE

STAGE SEVEN

## *Moving in*

The service level you have chosen will determine how much contact you will have with the property and the tenants once they have moved in. Hunters can offer a Fully Managed service which will help minimise your workload as much as possible.

For a smooth move in process we recommend a neutral decor throughout, the removal of all your personal belongings, leaving instruction manuals for appliances and placing picture hooks for your tenants to use.

Please don't hesitate to contact your local Hunters letting agents at any time with any questions or concerns you may have before, during and after the tenancy period.

***Hunters are with you every step of the way with a goal to secure the best price for your property, in the quickest timeframe, with the least hassle.***
