other encumbrances and third party rights and interests of any nature and together with all rights (including the right to all dividends and distributions) now or at any time attaching or accruing to them;

1.1.5 I am not acting in concert with any other person, as defined in the Code (disregarding for this purpose any person I may be deemed to be acting in concert with because they are giving an irrevocable undertaking to the Bidder); and

1.1.6 I have full power and authority and at all times will continue to have full power and authority to enter into this letter and to perform my obligations and give the undertakings contained in it.

1.2 In this letter, the term “**Committed Shares**” includes any further shares in the capital of the Target of which (notwithstanding paragraph 3) I may become the registered holder or beneficial owner of, or in respect of which I may otherwise become entitled to exercise all rights and interests, after the date of this letter, whether or not deriving from or attributable to the Committed Shares or the convertible securities each as specified in Schedule 1.

2.4 I shall not withdraw my acceptance of the Acquisition in respect of any or all of the Committed Shares notwithstanding that I may have become entitled to withdraw my acceptance by virtue of the rules of the Code or the terms of the Acquisition and I shall procure that my acceptance of the Acquisition is not withdrawn in respect of any or all of the Committed Shares.
